REQUIRED SITE PLAN INFORMATION

This document is available in a variety of accessible formats upon request such as digital, hardcopy, large print and can be read to you in French. To make a request, contact the Accessibility Coordinator

All permit applications require a site plan and the following information in order to process the permit.
Plan needs to include:

- NORTH arrow in the correct direction
- All adjacent road names and numbers

A large, empty rounded rectangular box intended for a site plan or drawing.

When the municipality is required to carry out the works, the Public Works will proceed with approved installations as time-lines and budget constraints allow.

File # _____ **Fee Amount Paid** _____ **Date Payment Made** _____
